

# The ART GALLERY of WINDSOR is pleased to announce a new partnership with C.G. Pearson Bus Lines

The Art Gallery of Windsor and C.G. Pearson Bus Lines are teaming up to educate and enrich children's learning experiences in the arts. C.G. Pearson has generously offered up to two **free** buses per month to compensatory schools in Windsor for the 2011–12 school year. This offering provides opportunities for students and schools that may not otherwise be able to afford a field trip and bus expenses to the AGW.

While at the Gallery, the students will participate in a curriculum-based tour/studio program which includes a one-hour tour with a docent and an artmaking hands-on studio.

The cost of the tour/studio is \$6 per student (first-come-first-served basis, one per school, does not apply to *Free Wednesdays*).
